

Corrections to the 2024 Fish Regulations

Amendment adopted by the F&W Commission at the April 17th, 2024 meeting (changes in red)

SWAN RIVER

- Catch-and-release for cutthroat and rainbow trout.

Piper Creek Bridge downstream to Swan Lake

- Artificial lures only. Single-pointed hooks only. No treble or double hooks. Anglers may remove treble or double hooks from the lure and replace them with a single hook, or the shanks may be cut off the other hook points to leave a single hook. Lures with multiple hook attachments may still be used but any treble hook must be replaced by a single hook.
